MARCH 2001

MONTHLY SOCIETY MEETINGS

JANUARY - The January meeting was held on Saturday 13th at College du St Esprit, Sir Virgil Naz Avenue, Quatre Bornes at 2.00 p.m. Generally Society meetings have not been held during the first month of the year. This year, however, due to the high monthly attendance Society meetings were held both in December 2000 as well as January 2001.

Yvan Martial gave a critical appraisal of the unpopular **Personalities** set issued in December 2000. He elaborated on the historical worthiness or otherwise of the personalities depicted and recalled anecdotes of *Ti Frère* whom he had known personally. The Bid Board and Purchase List offered a wide range of Commonwealth souvenir sheets. Stamp Auction catalogues, Stamp Bulletins and pamphlets from South Africa (Setempe), Mauritius, Canada, USA and Jersey accumulated by the Society and donated by some members were given away to those attending the meeting.

FEBRUARY - The February meeting was held on Saturday 3rd February at 2.00 p.m. at the usual venue. The main subject was **Registered Letter 5218** by Mico Antoine with a supporting display on **Gandhi** by Pravin Bhowanydeen and "**Post Office**" paraphernalia by Sanjit Teelock.

Registered letter 5218 was posted in Rose Hill in December 1999 and never arrived at destination in Zambia. Correspondence between the sender and the Postal Services dragged on from January 2000 to January 2001 when compensation was finally paid. Letters exchanged between the Postal Services, the Ministry responsible for the Postal Services and the sender and regulations governing registered packages were shown and discussed. The January "Textile Industry" and the "Abolition of Slavery and Indentured Labour" Rs 7 stamp were also discussed.

MARCH - The **Annual General Meeting** was held on Saturday 10th March 2000 at 2.00 p.m. at College du St Esprit, Quatre Bornes.

The agenda for the AGM was:

- a. Approval of minutes of 2000 AGM.
- b. Report of the President for the year 2000.
- c. Approval of Accounts ending 31st December 2000.
- d. Approval of budget for the year 2001.
- e. Election of Committee Members and Office Bearers for the year 2001.
- f. Appointment of Auditors for the year 2001.
- g. Any other business.

Mico Antoine put up a display of USA stamps. The Notice Board was full of interesting news from all over the world. Members' attention was drawn to an article on Vikram Chand's MAURITIUS exhibition at the British Library, London.

STAMPS

Textile Industry

Four commemorative stamps were released on 10th January 2001 on the **Textile Industry** in Mauritius.

- Re 1 Finished Pullover
- Rs 3 Computer Aided Machinery
- Rs 6 T-shirt Folding
- Rs 10 Embroidery Machine

The stamps were designed by Andrew Robinson and printed by the House of Questa.

The Official First Day Cover is illustrated with three spools of yarn (one red, one green and one blue – a fourth spool yellow would have completed the national colours) and was priced at Rs 30.

Note that the “Finished Pullover” has clearly got buttons down the front and is therefore a cardigan. The “Computer Aided Machinery” stamp depicts a computer, a factory worker admiring his country’s Coat-of-Arms but not any distinct machinery.

End of Slavery and Indentured Labour

A single Rs 7 stamp was issued on 1st February 2001, the date of a new public holiday, to commemorate the “abolition of slavery” in Mauritius. The title of the stamp is as mixed-up as the contents of the insert which clearly refers to “the abolition of slavery... in February 1835” and “the importation of Indian labour to Mauritius was discontinued in 1909”.

The stamp was designed by G.L. Vasarhelyi (after local artists failed to produce anything worthwhile – see the official programme reference to composition by local artists) and printed by the House of Questa.

The Official First Day Cover illustrations features “broken chains and whip associated with the abolition of slavery and indentured labour” and was on sale at Rs 15.00.

Gibbons Stamp Monthly of March 2001 described the stamp as “slaves of Indian and African descent leaving the darkness and emerging into the light of freedom.”

Trees of Mauritius

A commemorative set of four stamps were put on sale on 21st March 2001.

- Re 1 *Foetidia mauritiana* “Bois Puant”
- Rs 3 *Diospyros tessellaria* “Bois d’Ebene”
- Rs 5 *Sideroxylon puberulum* “Manglier des Hauts”
- Rs 15 *Gastonia mauritiana* “Bois d’Eponge”

The Official First Day Cover features the flowers and foliage of *Muthurina penduliflora* “Bois Gandine” and was priced at Rs 30.00.

The stamps were designed by Jennifer Toombs and printed by BDT International Printing.
