

MAURITIUS PHILATELIC SOCIETY

QUARTERLY UPDATES

No. 1 – 2017

JANUARY – MARCH

JANUARY:

The society did not hold a members monthly meeting in January. We stopped doing this a decade ago when the management committee decided that the society take a break in January just as everyone else does in Mauritius.

The management committee however met at the residence of the president, 3A La Louise Avenue, Quatre Bornes at 13:00 hours to approve the minutes of meeting of 5th December 2016 and to review the last meeting of the year. The February 2017 agenda was established and the AGM date was confirmed for 4th March 2017. Other matters were also examined. A general overview of most of the events of a relatively calm year was debated and proposals for the future were considered.

FEBRUARY:

The February members meeting was held on the 4th of the month at College du St Esprit, Sir Virgil Naz Avenue, Quatre Bornes at 14:00 hours. The agenda was mainly about the stamps and postal history of Mauritius in 2016 and local press cuttings and coverage of the “Post Office” printing plate and “Bombay Cover” sale as well as overseas reports on the two Mauritian items of important historical and philatelic value. The “Swan” 2017 calendar and the reckless liberty taken with facts regarding the “stories” about the three philatelic illustrations and the new look Mauritius Post annual of December 2016 were analysed. Notes and pages of B.I.O.T., Mauritius and Seychelles from the third edition of the 2016 “Indian Ocean” SG stamp catalogue were explained.

In addition to the main issues dealt with disturbing press cuttings and the personal experience by a couple of members on missing, undelivered, redirected letters and parcels handling by Mauritius Post confirmed the perception of malpractice within the corporation. The 2017 “Swan” desk calendar was distributed to each member present at the meeting as was the 1815-2015 bicentenary National Archives commemorative magazine kindly donated by the two institutions. The 2016 SG 3rd Edition “Indian Ocean” stamp catalogue was distributed to those who placed their orders, courtesy of A N Maudarbokus who took the trouble to purchase these on behalf of the society.

The first members meeting of 2017 bodes well for the rest of the year. 15 local members and Patrick Kwan from Australia were in attendance.

STAMPS OF MAURITIUS

COMMEMORATIVE STAMPS

25th ANNIVERSARY OF THE REPUBLIC OF MAURITIUS

A single stamp was issued on Sunday 12th March 2017 on the occasion of the silver jubilee of the Republic of Mauritius which coincided with the 49th anniversary of the granting of independence to the island. The stamp with a face value of Rs 25.00 features the 1992 re-designed coat of arms against a cream background with the national colours striped across the length of the lower part of the stamp – a waste of paper. A smaller stamp would have been more appropriate for the occasion.

The Official First Day Cover (OFDC) is illustrated with a replica of the Rs 10.00 1992 “Presidential Flag” insignia composed of the republican coat of arms with its gold RM inscription and laurels. The data card or insert contains short accounts of history and of the “Armorial Ensigns of Mauritius” as well as the technical details of the stamp. The OFDC was put up on sale “exceptionally” on Sunday 12th March 2017 at 17 selected outlets in the main towns and coastal villages which opened from 9:00 to 11:00 AM for the sale and servicing of the silver jubilee stamp and covers only. The OFDC went on general sale at all postal outlets on Monday 13th March 2017 one day after the event.

The Rs 25.00 stamp and the official cover to which it was affixed was on sale at Rs 90.00 per unit.
